Text 8 独白

Good afternoon, everyone! Thanks to you hard work on our company and sounds really well over the past twelfths months, so we have decided to give you a day off next Friday to go on a day trip pay for by the company. There were two types of choices, one is the nature choice which is the trips to the lakes. You all know how lovely the lakes are up this time of year and don't forget to bring along your working shoes. The bus will be leaving at 8:30 in the morning and gets back at 6:30 in the evening. The second choice is the historical tool which is a trip to a castle. One think though, they will told us that anyone who comes to the castle has to wear soft shoes. The reason for this is that some of the wood floors in the castle are very old. And can be easily damaged by other kinds of shoes. The bus will also be leaving at 8:30 in the morning but will bring you back here at 4:30 in the afternoon. That's all for me for the moment any questions.
